

Deposit System

FDB-V8

- Convenient, secure cash deposit machine
- Core banking connection, bank account credited directly
- Intuitive user interface
- Hightspeed note validation and optional coin module

Fast Deposit Banknote-V8

Secure and simplify your deposit processes with our FDB-V8

Our deposit system has been developed with high value deposits in mind. Ideal for banks and retailers who demand speed, efficiency and accuracy

Advantages

Security

Conceived to simplify CIT pick ups, notes are deposited into a thermo sealed bag

Intelligent

Unrecognised currencies are rejected

Optimisation

High speed acceptance & total accuracy

Flexibility

High storage capacity, our FDB-V8 can store up to 8 000 banknotes and 6 000 coins(optional)

Efficiency

Cash deposits can be instantly credited through core banking connection

Customisation

Customize user interface to embed your branding and customer experience
